

OUR CORPORATE SOCIAL RESPONSIBILITY JOURNEY

BOLSTERING SUPPORT & DRIVING RESILIENCE THROUGH CORPORATE SOCIAL RESPONSIBILITY (CSR)

Through a challenging 2021, EXIM Bank strived to seek new ways to give back to society by contributing to the underprivileged and positively impacting their lives. Though movement restrictions hindered the regular hosting of events and gatherings, the Bank was agile in adapting to new norms as we steadfastly supported the less fortunate and drove resilience for the disadvantaged. The year saw the Bank reaching out to continue its support for chosen causes to ensure that positive outcomes were nurtured from improving the livelihoods of the less fortunate to conserving wildlife and benefitting our own employees. Every CSR programme is strategically planned with proper resources and objectives to ensure sustainable and impactful outcomes.

The CSR initiatives we carried out are further aligned to the globally important UN SDGs, illustrated by our aspiration and commitment to working towards the goals as described below. As the custodian for all the projects we undertake, the Bank's Corporate Communication Department is proud to present a summary of EXIM Bank's 2020 CSR activities.

SUSTAINABILITY matters where Corporate Social Responsibility (CSR) is concerned. EXIM Bank vigorously champions worthy causes and in 2020, the Bank perseveres to positively impact our ecosystem and environment through these four United Nations Sustainable Development Goals (UN SDGs).

COME EXIMERS, SHOW YOUR SUPPORT!

6 CLEAN WATER AND SANITATION

Aiding to eradicate poverty, EXIM Bank continues to embark on programmes that benefit the underserved.

12 RESPONSIBLE CONSUMPTION AND PRODUCTION

Reduce, Reuse, Recycle - This consideration powers EXIM Bank in its various sustainable consumption initiatives that will make us efficient resource consumers.

15 LIFE ON LAND

Biodiversity losses and the illicit poaching and trafficking of wildlife have prompted the Bank to focus on the protection and care of our wildlife as they are key to our survival too.

17 PARTNERSHIPS FOR THE GOALS

Striving to fulfill these SDG goals, EXIM Bank realises we cannot do all of this alone. We seek and forge partnerships and alliances that will enable us to further the causes that are close to our hearts, with the support of our EXIMers.
